Drainage works on
White Cross Road from Greendale to Parsonage House, Woodbury

Tuesday 4th November 2025

Devon Highways will be carrying out drainage works on White Cross Road from Greendale to Parsonage House between Monday 1st of December – Friday 12th of December (weekdays only). The road requires maintenance and these essential repairs will help restore the surface and improve its safety.

Please see the work area highlighted by the green line on the map below; the orange dots attach the line to the map and have no other significance.

For safety reasons the road will be closed to all through traffic during our period of work. Access for emergency vehicles will always be maintained. Access queries should be directed to our Contractor or an operative on site who will be glad to assist.

The road closure and work area is highlighted in **red** on the map below, the signed diversion route is shown in **blue**. Drivers with local knowledge may use alternative routes but these will not be advertised for safety reasons.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

Information on current and planned roadworks in your area can be found on the Causeway one.network: https://one.network/?GB146381688.

Should you have any questions please contact us and we will do our best to try to help.

Kind regards,

Julia
Highway Liaison Officer
Devon County Council
