They also thought that an electric charging point should be considered.<br>• Another resident was in favour of the height barrier, resurfacing and marking out the car park as it would then be used for the right purpose and not for commercial vehicles or camper vans.<br>• Special thanks were given to the four Councillors that were standing down (Cllrs Patrick Bricknell, Graham Murrin, Geoff Jung and David Atkins and hoped that they would be given recognition for their long years of service.<br>• Thanks was given to Cllr J. Pyne and Cllr R. Ball for meeting with some residents and explaining the current situation with regards to the Neighbourhood Plan, also for providing a target programme. Several questions were asked regarding the Neighbourhood Plan, in summary the Parish Councils ongoing management of the Neighbourhood Plan process and approval of the pre-submission Neighbourhood Plan by the Parish Council. |
