Allotments

Woodbury Salterton Site

A picture of a few of the Woodbury Salterton allotment holders enjoying the new bench at the site. The Parish Council funded it along with six fruit trees to start a small orchard.
Let's hope the sun stays out and it is a good year for crops.

We also have a noticeboard being installed so allotment holders are kept up to date with all that is going on.

Woodbury Site

Like the other site all plots are currently taken up, but should you wish to put your name on the waiting list, please contact the Parish Office.

We have also purchased a noticeboard for this site, this will let us provide information to plot holders, Additionally, a picnic table has been funded by us to be installed within the community plot which will see a site social area. We hope all plot holders enjoy these additions.
We would like to take the opportunity to thank the community team who are busy fundraising and working on getting this plot up and running for the community.
