GROW YOUR OWN FOR LESS

Fill your garden with colour and food without spending a fortune.

Join us on the Community Allotment, Oakhayes Road for a short series of friendly, hands-on workshops where you'll learn how to grow your own plants from seed.

Sunday 22nd March | 2–4pm

Seed Sowing Workshop

Learn how to sow and care for early crops and flowers such as Lettuce and Sweet Peas

Sunday 26th April | 2–4pm

Learn what to do with the small plants you started at session 1 and how to sow and grow later crops and flowers

All materials provided
Take home everything you grow

No experience needed
Learn new skills

Donations to help cover costs are appreciated
